M: She was a member of the audience.

W: What did she do?

M: She made sure that the box was empty and put it on the table.

W: No problem, I'll take care of it. Dad, how about inviting Aunt Maria and Aunt Liz?

M: Sure! And don't forget to decorate the living room with colorful balloons and flowers.

M: Yesterday evening. I couldn't sleep at all last night.

W: Did you eat or do anything different recently? These problems often happen when people change something in their routine.

M: I guess it could be an allergic reaction to a new soap.

W: Then, I recommend this anti-itching cream.

W: But we're staying here for three days. Isn't it better to buy a 48-hour ticket instead?

M: That makes sense. Do we need an audio guide?

W: Of course. It'll definitely help us get to know more about Sydney's attractions.

M: Okay. How about the Sydney Harbor Cruise?

W: Let me see... Don't you think spending \$130 is too much for a city tour?

[Honking]

M: Oh, my! There's heavy traffic up ahead.

M: The problem is we don't have any snow tires.

W: We should have bought some last year when snow tires were on sale.

M: But it was spring then, so we didn't need any.

W: Anyway, it's dangerous to take a trip without snow tires.

M: You're right. If we're not careful, accidents can happen.

W: Now, we have to find a shop that sells inexpensive snow tires.

M: Wait. Don't you remember that Internet store for winter goods? We saw it together.

W: _____

15. 다음 상황 설명을 듣고, Peter가 Nancy에게 할 말로 가장 적절한 것을 고르시오.

M: Nancy is getting married to Peter next month. Because she works as a fashion designer, Nancy is making a beautiful wedding dress for herself on her own. She cut the dress pattern, picked out white silk fabric, and sewed every piece of cloth together very carefully. Everything seemed to be alright. Then, Nancy decided to add one more touch to her dress, a bead decoration. However, while decorating the dress with hundreds of beads, she has become tired and stressed-out. Now Peter is worried about Nancy because she doesn't look happy. So, he's trying to persuade her to look for someone who can do it with her. In this situation, what would Peter most likely say to Nancy?

Peter: Nancy, _____

16번부터 17번까지는 두 번 들려줍니다.

[16~17] 다음을 듣고, 물음에 답하십시오.

W: Hello, students! Have you ever felt frustrated when you want to get good grades but don't know what to do? Today, I'm going to tell you a few things to help you with your study. First of all, you should use a study planner. It should include your study schedules and learning goals. It'll be helpful to draw up a timetable, and you should revise it when necessary. Another thing to consider is creating your own notebook. Write notes using charts, graphs, and mind maps so that you can memorize the information systematically. Next, read your textbook until you can thoroughly understand what it says. What you need to know about a subject is in the textbook and it's the best basic material for studying. Lastly, make sure you won't be disturbed by anything while you're studying. For example, smartphones are the biggest distraction to your studies. Just turn off your phone when you study. Good luck!

다시 한 번 들겠습니다.
